

# ORGANISATION OF STUDIES

In French-speaking Belgium, higher education is based on a system of 3 cycles of studies: Bachelor's degree, Master's degree and PhD. This system is recognised in numerous countries in both the EU and worldwide.

- high-quality higher education
- student mobility
- globalisation of higher education  
(European Credit Transfer System - ECTS)

## How higher education works

# HIGHER EDUCATION INSTITUTIONS

Teaching, research, service to the community
